Watch Sky TV on the move

You can now watch TV from Sky wherever you are in Ireland and the UK with Sky Go. Enjoy eight great channels from the Entertainment Pack on your laptop or PC.

Forgot to record a show?

With Sky you can use your smartphone or laptop to set your Sky+ box, so you never have to miss your favourite shows when you're out and about.

Plus, prices are frozen until 2013

Remember, your current Sky TV price will remain the same until 2013, but you still have the flexibility to change your entertainment package at any time although your monthly payment may change.
